The Main House Master Bedroom Suite, the picture above, is located first floor, pool side.

The main kitchen is shared, along with pool and all common areas, including the third floor hammock space.

The winter is mild with cool nights and warm days and a long sandy beach for miles...

An aerial photograph of a beach and ocean. The left side of the image shows a wide, light-colored sandy beach. The right side shows the ocean with clear, turquoise water. The water's color transitions from a pale turquoise near the shore to a deeper, vibrant blue further out. The texture of the sand and the ripples in the water are clearly visible.
